

Reviewers for the Journal of Social Science Education

A heartfelt „thank you“ to all the reviewers of the Journal of Social Science Education!

The editors and authors of the articles submitted to the JSSE are grateful to the following peers for helping us uphold the high quality of work that is published in the Journal of Social Science Education. These individuals have conscientiously read manuscripts and provided comments to the editors and authors. On behalf of the readership, we are most appreciative of your commitment and support.
